

STATEMENT ON THE EMERGENCY MEDICINE 2024 MATCH RESULTS

In the 2024 Match, we enthusiastically welcomed over 3000 new residents to Emergency Medicine!

Much has been said about the EM Match of the last 2 years. This year’s results are a testament to the resilience of our specialty, an acknowledgment of the critical role EM holds in the House of Medicine, and a result of dedicated work from many stakeholders. Our specialty thanks everyone for their hard work and dedication in recruiting our new and talented residents, who meet the mission and vision of our EM Programs.

Our EM organizations commit to building a supportive environment for current and future EM physicians. We all celebrate a tremendously successful EM Match and a bright future together in a specialty whose mission is to answer the call of “Anyone, Anything, Anytime.”
