EMRA Publication Proposal Form

EMRA is accepting proposals for clinical and professional resources geared toward broad education for all levels of training, with a focus on providing on-shift references. If accepted for development, the final format of the resource (print, online-only, app, etc.) will be determined by EMRA staff with the direction of the EMRA board. *EMRA reserves the right to seek outside sponsorship to defray costs.*

CONTACT INFORMATION

Principal Author _____

Institution _____

Date _____ Email _____ Phone _____

Program Director/Faculty Advisor Signature: _____
(*To ensure program support of the proposed resource*)

Please attach Principal Author's CV along with the answers to the following questions.

CONFIDENTIALITY NOTICE: *By submitting this form, you acknowledge you are sharing this idea with EMRA and agreeing you will not share it with others while the EMRA Board is considering the proposal. EMRA will likewise maintain confidentiality and will not share the contents of this proposal with others.*

TITLE What is your topic or tentative title? _____

CONTENT OVERVIEW Fully describe your resource, including the purpose in undertaking it, the unique features, the depth and scope of the content (tentative Table of Contents), and reasons EMRA members need it.

INTENDED AUDIENCE(S) Please indicate primary audience[s] (P) as well as secondary (S)

_____ Medical students _____ Residents _____ Fellows _____ Alumni

___ Bedside pocket guide   ___ Printed reference book (eg, Advocacy Handbook)

___ Free online/downloadable PDF   ___ Pocket card

___ Badge card   ___ Mobile app

___ Other:_____

FREQUENCY How often will this content need to be updated? _____

SUSTAINABILITY

1. Will this project be mentored by faculty at your residency program?

         ___ Yes   ___ No

2. Will future iterations be undertaken by future residents at your program, or do you plan to "take it with you" after residency and be responsible for mentoring resident authors in the future?

         _____ Remain at program   _____ Retain primary responsibility at my next institution

COMPETITION: CURRENT AVAILABLE RESOURCES
Please list any similar resources (both print and electronic) currently available.

COMPETITION: UNIQUE VALUE

Please explain how your resource would add unique value to our members and complement EMRA's existing library.

PROPOSED INITIAL TIMELINE List phases of the project, including the approximate amount of time necessary to complete each phase. Do not include specific dates, only the estimated amount of time that will be needed. List who will be responsible for each phase of development. *Authors will be expected to adhere to hard deadlines developed with EMRA staff if proposal is accepted.*

BUDGET IMPLICATIONS (To be completed by EMRA staff)
